Transformations

Our clients come to us in times of crisis, in times of life transition, in times of growth for job training and career counseling and they come to connect with others.

They come for a variety of reasons and they leave with new skills, renewed spirit and stronger lives.

Dream

Believe

Success comes through regained hope, self-sufficiency, empowerment and a deep and sustained commitment.

Succeed

Renaissance

The transformation of the YWCA Omaha is rooted in our 117 year history of empowering women in our community through a broad spectrum of programs and services. Your gift helps women and their families build lives of strength, growth and stability.

Domestic Violence & Sexual Assault (DVSA) Program

Full range of services for victims of domestic violence and sexual assault including a 24-hour hotline, advocacy, counseling and legal services.

Bridges to Opportunity

A collaborative community effort that assists individuals, who are living in multi-generational poverty, as they build lives of self-sufficiency.

Youth Education and Prevention Program

School and agency-based programs that focus on violence prevention and healthy lifestyles.

Women in Transition Program

Provides tools and resources for women to shape their future following separation, divorce, death of a loved one, or as they enter or return to the workforce.

Connections Program

Avenues for women from all walks of life to connect with other women through mentoring, enrichment classes and special events.

Men's Program

Programs for men and boys, designed to educate them about non-violence, in order to enhance their lives and the lives of their families.
